Notice to Applicants – Pre Hire Screening: Due to the safety considerations inherent to Earth Treks' line of business and our diverse customer make up, which includes children, Earth Treks requires all final job applicants to pass a drug screen and criminal background check. Any offer of employment will be conditional upon passing a drug screening and completion of a criminal background check. A criminal background check will not be initiated without the authorization of the applicant. The background check will include, but may not be limited to, a criminal history review on a county, state, and federal level as well as sex offender registries. A report demonstrating a verified criminal record may result in the denial of employment, but does not necessarily preclude employment at Earth Treks. Refusal to comply with either the drug screen or criminal background check will constitute reason to deny employment.

Equal Opportunity Employer: Earth Treks is an equal opportunity employer. As such Earth Treks does not discriminate against any applicant for employment based on their age, race, color, creed, religion, sex, national origin, ethnic identity, physical or mental disability, veteran status, marital status, economic status, sexual orientation, gender identity, or any other legally protected basis.
